### **Worthy Officers, Brothers, and Sir Knights,**

Every day in the news we hear or read about crimes; injuries and suffering at the hands of men and women who seem to lack a moral compass. This can make us sad, or angry, often at the same time. We want those responsible to be caught and punished. Even the death penalty can seem inadequate to atone for the most heinous acts. However, as Christians, we are called to “turn the other cheek”, forgive and seek the salvation of those we despise or fear.

Say to them, As I live, says the Lord God, I have no pleasure in the death of the wicked, but that the wicked turn from their ways and live; turn back, turn back from your evil ways; for why will you die, O house of Israel? Ezekiel 33:11

This is probably the most difficult of God’s attributes to emulate. Christ Jesus died a horrible death on the Cross, but from that cross forgave those who betrayed, rejected, tortured and killed Him. “Father, forgive them for they know not what they do.” Our Lord demands that we, too “take up our cross” and follow Him. Certainly, He intends for us to accept suffering but also to follow His example of forgiveness. Let us not conflate “forgiveness” and

"accountability". Anyone responsible for sin and violence remains accountable, but the mercy of God allows for the contrite of heart to be redeemed if they turn from their evil ways or actions. The good thief took responsibility and asked for mercy. The Prodigal Son took responsibility for his actions and suffered because he was accountable; but his remorse and regret freed him to apologize and seek reconciliation and acceptance as a servant in his father's house. The father's incredible mercy and forgiveness restored him fully as his son.

This is my commandment, that you **love one another** as I have **loved** you.  
John 15:12

We always pray for the victims of violence and for their recovery. We want justice for them. But the love of God demands mercy as well. Forgiveness is a very powerful form of mercy. It can heal victims and perpetrators. Let us pray for those who do evil that they may be redeemed through a change of heart. A heart turned to the sinless sacrificial Lamb of God.

<sup>43</sup> "You have heard that it was said, 'You shall love your neighbor and hate your enemy.' <sup>44</sup> But I say to you, Love your enemies and pray for those who persecute you, <sup>45</sup> so that you may be children of your Father in heaven; for he makes his sun rise on the evil and on the good, and sends rain on the righteous and on the unrighteous. Matthew 5: 43-45

Let us pray for the conversion of sinners everywhere that the "snowfall of souls into hell" may come to an end.

Vivat Jesus!

Dear Brother Knights of Columbus,

As many of you know, I wear several hats in the Diocese. One of them is chaplain for Bishop Rice Memorial High School.

This fundraising letter is on behalf of the Rice school choir. I have copied below the note about the fundraiser drive. Here I just want to add an anecdote: in 2022 one of our major tasks was to rebuild our school "Mass routine" at Rice. Two things got this task done.

One thing was a commitment to set up our Mass area (the gym) with as much decoration as possible. The other was the dedication of the school choir, to assemble and practice before each Mass, and provide rich and audible singing for all Mass parts and hymns. So here I leave you with a photo of them, preparing for a Mass, and I paste the fundraising information below. God bless you, and thank you for everything you do as Knights of Columbus in support of Catholic education.

In Christ, *Fr. Timothy Naples*, State Chaplain, Vermont

#### From the choir director, Kevin Ginter:

Over the past 7 years Rice Memorial High School has worked hard rebuilding their music program to be one of the finest in the state. Perhaps one of their strongest programs is their choir. Over 10% of the entire school is in the choir. This upcoming January 2026 they have the extraordinary opportunity to compete in an international choir competition in Kobe Japan. They will compete in the Youth Category against Choirs from all over the world. This will challenge the Rice singers to truly reach their god given potential. In this trip they will also attend at least one Mass, perform concerts at schools with the intention of recruiting students to Rice. They will also be enriched in the culture, and history through visits to Hiroshima, Kyoto, and Tokyo. In order for the choir to be successful we need as many members to participate as possible. Some members need some help paying the cost of part of the trip. Because of this we are asking for any sizable donations to help individuals in need. We are reaching out for councils of The Knights of Columbus, and individuals, to consider supporting some of these students. (Thank you to the Milton K of C and Fr. Naples for already doing so). For those interested, we have students on the trip from the following towns:

Milton, Warren, Ferrisburgh, Swanton, Georgia, Cambridge, Colchester, Fairfax, Burlington, Stowe, South Burlington, Shelburne, Waterbury, and New Haven.

Please email [ginter@rmhsvt.org](mailto:ginter@rmhsvt.org) with questions about this cause. Thank you for any donations.

Check donations made to "Rice" or "RMHS" (and mailed to 99 Proctor Ave. S. Burlington, VT 05403) should have "Choir Japan Trip" in the memo. Online gifts (going to [www.rmhsvt.org/giveonline](http://www.rmhsvt.org/giveonline)) should check off the "Arts / Drama / Music" donation category, and write "Choir Japan Trip" in the box for "My gift is in honor of." Lastly, you may also email [Fr.Naples@gmail.com](mailto:Fr.Naples@gmail.com) about questions or gifts.

# Chaplain's request to consider supporting Dcn Gonzalo's daughter Vanessa

## Deacon Gonzalo's request for sponsorship

Hello all,  
Deacon Gonzalo has asked several people (and maybe the KofC?) to provide an affidavit of support for his daughter Vanessa to continue higher education in the US. I told some of you that I would share the letter I provided. A document is linked below.

This summarizes this situation in a way I think is accurate:

- Colleges won't accept an application unless they have some assurance that tuition COULD get paid even in the scenario of no scholarship or financial aid.
- Colleges won't accept proof of financing ability from Gonzalo's resources in Columbia (His savings I'm pretty sure, but also his military pension). Therefore, they want actual documentation from U.S. financial institutions (like official bank

statements). This seems to be a prerequisite to processing applications, prior to consideration of scholarship or financial aid offers.

- Providing an affidavit of financial support I do believe would be legally binding if Vanessa enrolled in a program, then studied the semester/year, and then did not provide payment according to her family's means.
- That said, I trust Gonzalo that he and his daughter will only entertain enrollment offers based upon aid and scholarships available after application, and based upon their own financial means.
- I provided a letter of affidavit of support like this two years ago, for Vanessa to enroll in CCV classes. There was no indication in the past two years that Gonzalo and his family did not meet all payments for the classes Vanessa has been taking.

Father Tim

## Affidavit of Support

Student's name: Vanessa Fernanda Cardona Pico

Sponsor's name: Timothy Naples

160 Hinesburg Rd., S. Burlington, VT 05403

[fr.naples@gmail.com](mailto:fr.naples@gmail.com)

1-802-735-7628

To whom it may concern:

This is to certify that I, Timothy Naples, am willing and able to support the student Vanessa Fernanda Cardona Pico, while she studies at Saint Michael's College in the United States of America.

I am enclosing my personal financial documentation, which demonstrates the ability to support student Vanessa Fernanda Cardona Pico with (\$15,000 USD) per year of study in the United States.

I understand that this funds will be available each semester of study for the duration of the above named student's course of study in the United States.

The attached financial documentation shows actual account balances, deposits and withdrawals. The documentation is in English and less than 3 months old.

Please note that I am a priest of the Roman Catholic Diocese of Burlington, and while my gross annual income is only around \$40,000 USD a year, because I enjoy and have enjoyed free housing and minimal food costs in my vocation, I have more than 20,000 a year in disposable income. Accordingly, I have freely chosen to give away at least half of my salary annually for charitable purposes, as is evidenced by my attached checking account records. My tax returns would be available if more evidence was needed.

I certify that the information provided in this letter is true.

With your help, HSCC is able to find new homes for 1,300 animals each year and provide low-cost health care for over 100 animals each month through our Community Pet Clinic. Your gift allows us to expand our community programs and services and continue providing support to local families and their animals.

On behalf of the entire team, **thank you** for supporting your local Humane Society and for making our work possible. Together, we will continue to compassionately strengthen human-animal bonds and serve our community well into the future.

Gratefully,
